

LIMITED LIFETIME WARRANTY – SL & VFC SERIES BOILERS

Your IBC **SL or VFC Series** condensing boiler is backed by this limited lifetime warranty in Canada or the United States. This warranty, valid for boilers manufactured after Oct 1st 2015, gives the owner specific legal rights. There are no warranties which extend beyond those described here.

The specific rights in this Warranty shall be conditional upon:

1. The claimant being the original owner of the boiler, which must be in its original installation location. A copy of the original invoice or sales receipt showing proof of purchase must be provided. If the proof of purchase does not state the installation date, the specified warranty period will commence 30 days after the date of manufacture.
2. The proper installation of the boiler according to its certified Installation and Operation Manual, by a mechanical contractor or installer whose principal occupation is the sale and installation of heating or plumbing equipment and who is properly certified and trained in all aspects of the installation, and has purchased the boiler through an authorized IBC Distributor .
3. The proper operation and maintenance by such certified contractor in accordance with the boiler maintenance intervals - as defined in any applicable Installation and Operation Manual, and maintenance as defined in any applicable User Manuals, by the original owner.
4. Boilers in space heating and indirect domestic hot water applications only.

IBC Technologies Inc., warrants each boiler to be free from defects in material and workmanship, and will provide redress when such defects are proven, in accordance with the following terms, conditions and periods:

“FIVE YEAR LIMITED WARRANTY – All Parts”

Within five years of the original installation of the boiler and registration of the installation with IBC; the Five Year Limited Warranty covers repair or replacement of all parts found to suffer from manufacturing defect.

“CONDITIONAL REGISTERED WARRANTY – Heat Exchanger”

Conditional on registration of product installation with IBC in the prescribed way within six months of original installation (refer to www.ibcboiler.com/resources/registration-form/), the *Registered Warranty – Heat Exchanger* provides further cover over the heat exchanger alone (for repair or replacement) if found by IBC at its sole discretion to be defectively manufactured. Labour costs are excluded, and parts will be supplied at a cost equal to the percentage indicated above of the manufacturer’s then stated list price for the replacement parts.

If a heat exchanger for this boiler is no longer available, IBC may provide a new condensing boiler at the then applicable retail price reduced using the same percentage factors listed above.

Legal Rights

No other party is authorized to make any other warranties on IBC’s behalf. **No other warranty expressed or implied (including warranty of merchantability and warranty of fitness for a particular purpose) is made.** This warranty does not extend to liability for incidentals, special or consequential damage. All disputes, claims or demands arising from or relating to the Warranty, or from the terms and conditions herein contained and all claims, demands, rights or liabilities arising from such Warranty or terms and conditions shall be determined in accordance with the laws of the Province of British Columbia, Canada. Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Other legal rights may be available and may vary by Province or State.
